

RETURN TO SCENE

Are you an enthusiastic graduate looking to start your career in corporate communications?

Reporting to the Business Support Director the successful applicant will help to create and deliver upon a social media strategy and wider corporate communications objectives. This position is for an initial period of 12 months with the potential of becoming permanent.

As a cutting edge provider of technology to some of the most digitally advanced markets globally, we want our communications to reflect this. Digital communication and social media are consistently evolving and the visual nature of R2S makes it an ideal platform for us. This is a domain that has now been fully embraced by our clients and peers in technological space.

Role Description

The purpose of this role is to support the Business Support Director to:

- Develop our existing communication (especially social media deliverables).
- Plan a social media strategy to be incorporated as a key function of the wider communications plan.
- Develop user focussed regular communications and nurture campaigns.
- To assist with any other communications and administration tasking as directed.

Qualifications

This role is not exclusively for those with a qualification in marketing/PR/ communications etc. We will consider any graduate background provided the individual meets the criteria set out.

Essential Skills

- Excellent written and verbal communications skills
- Experience and awareness of all current social media platforms
- Outstanding eye for detail
- Flexible approach to managing and prioritising tasks
- Creative thinker

Desirable Skills

- Experience in media relations
- Project management experience

Candidates must have graduated within the last 3 years.

Please send your CV with covering letter by 8th January 2018 to careers@r2s.co.uk
